

JOB OPPORTUNITY!

Because We Care

Director of Public Works Engineering

We are looking for an experienced Senior Executive to be a part of our dynamic team and lead our Public Works Engineering group, working in our Irvine/Diamond Bar offices.

The Role of the ADVANTEC Director of Public Works Engineering –

The selected candidate for this Executive position will be leading the Public Works Engineering team, a rapidly growing discipline in the firm, managing exciting projects that enhance communities and transportation for a better quality of life through safer, more efficient roadways. The projects these teams undertake involve street improvements, highway engineering, public works design, traffic engineering, and other interrelated and interesting disciplines. Our selected Director of Public Works Engineering will be leading the business development and recruiting efforts to continue to grow this discipline, with great career advancement opportunities and continuously exciting projects. This key position requires a Civil Engineering degree with 10+ years of experience and a Professional Engineer (Civil) California license. Caltrans interchange design experience and multi-modal experience in California would be a plus.

ADVANTEC has worked with over 150 local municipalities, regional transportation agencies and state governments to meet their transportation and public works engineering needs throughout southern California. ADVANTEC's innovative and technology-based solutions have reduced congestion on freeways and surface streets and provided safe and reliable transportation infrastructure to the communities. We provide these solutions as part of our firm's specialized areas of practice:

Public Works Engineering | Highway Engineering | Traffic Engineering Intelligent Transportation Systems | Transportation Planning

ADVANTEC has an internal and external adage: **"Because We Care!"**

This is the hallmark of our high quality and excellent reputation. We care about the public that we serve, and strive to provide safe and efficient transportation solutions to serve them. We care about our clients, and excel in providing services that meet their needs. We care about our ADVANTEC team, and provide advancement opportunities, challenging projects, a collaborative, flexible and enjoyable work environment, training and support to help them achieve their fullest potential. We care about our deliverables, and perform at our best level to achieve highest quality and results to complete projects that serve as premier examples and an inspiration to our industry.

Irvine | Diamond Bar | Los Angeles | Palm Desert | Palmdale | San Diego

Our compensation package involves:

- very competitive salaries
- bonuses (twice a year)
- medical & dental insurance
- 401k plan
- company ownership and rewarding programs tailored for bright and ambitious professionals!
